Randall,

Cathy put together a new version of the talking points for John. I made a couple of minor edits and sending on to you to see if this is close to what you think John is looking for. If you want to have a call to go thru or have any edits or comments, please let us know.

Thanks,  
Glenn

Glenn,

In response to Randall's request for RA talking points (why the landfill is necessary, overall mission of ORR, bigger picture/background info), I've developed the attached talking points. Please let me know if edits are needed.

Thanks,
